e) Additional Feature - Import Function

This year to make the WSPATR more accessible the HWSETA has created an import function. This means that the SDF can capture the ATR and WSP onto an excel template and then upload the information into the HWSETA portal.

An Excel Template will be emailed to all SDF's, this template must not be amended in any way other than data captured onto it. Once the data is complete and the document saved the SDF can access the HWSETA portal and follow the instruction until they are in the WSP for the current year.

Then the SDF should click on the "More "button (as indicated below), this will open up and the

Example of ATR being uploaded:

The screenshot shows a web browser window with the URL `localhost:8069/web#id=16&view_type=form&model=wsp.plan&menu_id=411&action=445`. The page displays the 'WSP Submission' form. A modal window titled 'Import WSP' is open, showing options to upload 'Actual(ATR)' and 'Planned(WSP)' files. The 'WSP Details' section is visible, showing 'WSP ATR Details Type' as 'Actual (ATR)'. Below this, there are tabs for 'Actual Training', 'Adult Education and Training', 'WSP Impact Assessment', and 'Document Uploads'. A table with various fields is also present, including 'OFO Code', 'Type of Training', 'Occupation', 'Specialisation', 'Municipality', 'Urban/Rural', 'Province', 'Socio Economic Status', 'Type of Training Intervention / Pivotal Programme Type', 'Name of Training Intervention/Pivotal programme Qualification', 'Pivotal Programme Institution', 'NQF Aligned', and 'NQF Level'.

The information will then prepopulate on the system. If there are errors the SDF will immediately receive a Pop Up stating what the errors are and how to correct them. Then the SDF should upload again.

f) Manual Submission of the WSP ATR without the Upload:

- Actual – Actual Training

Select the Actual (ATR) from the WSP ATR Details Type and the ATR information will appear. The SDF will need to submit the following information:

- Actual Training Record (All organisation)
- Adult Education and Training (If Applicable)
- WSP Impact Assessment (All Organisations)
- Variance Report (All Organisations to check)
- Document Uploads (All Organisations)

The only organisations exempt from having to submit an ATR are those that have recently registered with the HWSETA for the first time (less than 6 months ago)

To edit a record click on the record and it will become available for editing.

Remember to click the SAVE button to save all work done thus far !

A. Annual Training Record

This is based on the WSP Planned Training Submitted the Year Before and in the same format as the previous years submission. To start capturing click on Add an Item and then start capturing the information requested. The system will auto sum the amounts and create a total sum at the top of the page for verification.

The System will request “city “and use this to populate Municipality / Urban / Rural
The SDF will select Pivotal or Non Pivotal and be guided by the system as to what to capture and which fields are required.

There is also the option here to populate the data from the previous years submission. This is done by clicking on the “prepopulate “ Button.

Once the SDF is complete the SAVE button should be pressed.

If you wish to Edit the information click on the row (any part of it) and it will open up for editing.
To delete the row go to the right there is a rubbish bin sign click on this.

B. Actual – Adult Education and Training

The Option also exist to populate this from the previous years submission , or the SDF can capture the data . To start the process click on the Edit Button and once complete on the Save Button.

I. Vacancies Hard to Fill

The Scarce and Critical Skills Form has been replaced by the Vacancies Hard to Fill Form , this form requests that the organisation identify positions in the organisations that they have trouble filling and for how long this has happened . This is a non compulsory Form

The screenshot shows the Odoo WSP Submission form. The browser address bar displays the URL: 192.168.15.10:8069/web?db=hwseta_train#view_type=form&model=wsp.plan&menu_id=420&action=449. The form is titled "WSP Submi... / New" and includes a "Save or Discard" button. The "Organisation Details" section contains fields for SDF (Joseph Martin), Financial Year (2015-2016), WSP Start Date (04/01/2015), Employer, WSP Submission Date, and WSP End Date (03/31/2016). The "WSP Details" section shows "WSP ATR Details Type" set to "Planned (WSP)". Below this, there are tabs for "Total Employment Profile", "Planned Training", "Adult Education and Training", "Vacancies Hard to Fill", and "Document Uploads". The "Vacancies Hard to Fill" tab is active, displaying a table with columns: "OFO Code", "Occupation", "Specialisation/Alternative Title", "Province", "Number Of Vacancies", "Gender", "Race", "Number of Months Position has been vacant", and "Comments". The table currently shows 0 vacancies. The footer of the page displays the URL: 192.168.15.10:8069/web?db=hwseta_train#notebook_page_17.

J. WSP -Document Upload

The WSP Upload Tab related to those employers with more than 50 employees, they will need to upload the following:

- Proof of Consultations – Minutes of the meeting
- Attendance Register of the Meeting
- Authorisation Page (Available in the Document Library)

These are uploaded by clicking on the select option and then finding the information on your computer and uploading it.

K. Submission

Once all the documents have been uploaded and the relevant forms completed the submit button can be pressed. If there is any information missing a pop up will appear notifying the SDF of the form and the information missing. These need to be updated and the submit button clicked again until a popup appears that says " The WSPATR 2016 2017 has successfully been submitted".

Sample of Error Message

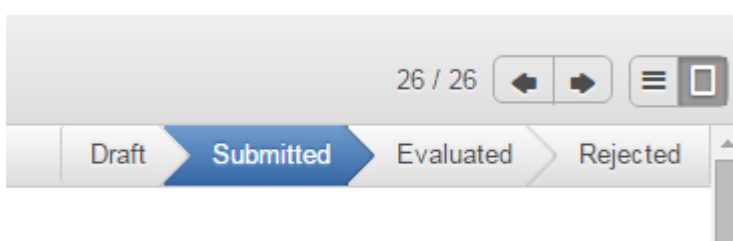

Types of Errors

- The system will validate all employees between the Total Employment Profile and the Planned Training if they don't match it will give you a message
- Documentation has not been uploaded
- Forms have not been completed

An Email will follow to the organisation contact and the SDF confirming submission of the WSPATR.

Once the WSPATR has been successfully submitted the status on the far right moves from Draft to Submitted.

At the same time the date of the WSPATR Submission Date will be populated.
